Brother Duewayne Tullos conducted the Memorial Service to a standing room only crowd in our Chapel.

By Jean Nesbit

Our Ridgeland branch annual Memorial Service was held on Sunday, June 25 with an attendance of approximately 130 people. "Thank you" to all Hospice Ministries staff who helped prepare for and helped make possible such a special day for our families.

We appreciate the Hospice Ministries staff who participated in the program. They included: Duewayne Tullos, Lead Chaplain; Isabel Cordua, Director of Support Services;

Hospice Ministries' Annual Memorial Service

Robin Walker, from our housekeeping department; and Teresa Morris, a member of our referral team. As always a number of Hospice Ministries volunteers contributed. Music was provided by volunteers from St. Matthew's UMC by pianist Angela

Angela Thomas

Thomas and Director of Music, Tim Rigby. As a special treat, Steve Cook played his bagpipes for the occasion. A reception was held in the Day Room immediately

following the service. Guests enjoyed taking home bookmarks as mementos of that special day honoring their loved ones who had died.

When death enters our lives, it changes us forever. It is a process; always unfinished, never complete. We remember as long as we love.

Catholic Heart Workcamp comes to Ridgeland June 19 - 22

Catholic Heart Workcamp is a youth ministry workcamp of over 300 students from all over the country. They come to help communities in 34 cities across the nation. Six of these hard working teens volunteered to help ready our gardens before the Memorial Service on June 25.

(L to R) **Mickey Nickrent**, (Mahomet, IL- Adult Leader); **Alexis Rubalcara**, (Houston, TX); **Mike Marshall**, (Madison, WI); **Britt Nygaard**, (Plymouth, WI); **Alyssa McCroom**, (Schoolcraft, MI); and **Kylene Krieger**, (Lake Mary, FL)

These young people pay over \$280 just to have the opportunity to work for those in need.

They plucked & snipped dead flowers, and pulled weeds all week, not to mention cleaning the chandeliers and windows in the Chapel. "I have never seen such hard working teens," stated Master Gardener, June Stevens. "They have really helped in the gardens this week." The teens were wonderful, so polite and entertaining. This is the first year we have participated in this program but already we are looking forward to next year.

In-Service for Volunteers Flower Arranging

Master Gardener and Flower Show Judge **Frances Morse**, treated us to an enlightening workshop on flower arranging on May 27th at the Ridgeland Center.

Frances explained the different ways one could showcase a large variety

of flowers for different events. Some of the flowers and greenery can come from your own yard. Using local greenery with flowers, containers and oasis donated

from **Petal & Pails in Ridgeland**, the team of volunteer students created some delightful designs which graced our dining room and halls for a week.

A Special Request

There are many times we are confronted with physical needs for our patients that go beyond their medical needs, such as food. Because of this we are opening a Food Pantry for our home patients.

If you would like to donate to this pantry, or have a Sunday School class who might like to help, please give us a call. Items should have a long shelf life and soft foods (i.e. mash potato mix, puddings, jello, etc.) are preferred, but canned goods are also needed. If you have any questions give Jeri a call. 601-898-1053, ext

Fun Friday's in June at Ridgeland

HMMMM...Fishy Friday...,How about "Salsa or Fiesta Friday?"

Every Friday in June at Hospice Ministries' Ridgeland office, we had a fun theme for the day. It lightened spirits of our staff and visitors alike.

Social Worker Patty Jones enjoys the cool Margarita's (*non-alcoholic*) that Facilities Manager Bob Schroeder, seen in the back ground made for everyone during lunch.

Crystal Fuqua and Colleen Freeman display the "Fiesta Spirit" for lunch. Crystal's staff also made Taco salads so everyone could join in the fun.

Competition was stiff for **Funny Feet Day**. Many wild feet were entered into the draw, but Bob Schroeder won with his **Homer Simpson** slippers.

Flower Power Day had everyone remembering "Flower Power" of the sixties.

The Fun Fridays of the month left everyone in high spirits with hope to continue laughing throughout the summer.

Donations for the Ridgeland Offices

IN MEMORY OF
Jo Ann Rodgers Auble
January 15, 1933 - May 29, 2007

In a special memorial service given by her sisters, Mrs. Jo Ann Auble was honored with the donation of this beautiful

couch to Hospice Ministries. Her four sisters, **Faye Milner, Mary Nell Poole, Sue Chisolm and Janie Williams** enchanted us by singing hymns to their late sister during the service, just as they had done while she was a patient here. The halls were filled with beautiful music. Thank You Ladies!

Joretta Meyer from Jackson wanted to donate an item to Hospice Ministries for the kindness shown to her husband during his stay here four years ago. She saw these two wrought iron benches and thought they would be lovely in the court yards. She bought them and had them delivered to Hospice Ministries earlier this June.

Mrs. Joretta Meyer with her benches.

Thank you Mrs. Meyer for your kindness.

Broadmoor Baptist Church members donate a hand rail for home patient

Social Worker Lauren McGuffee from the Ridgeland office, noticed that a home patient was in desperate need of a hand rail for his front steps to reduce the risk of falls. With the help of Broadmoor Baptist Church,

Lauren McGuffee

volunteers Faye & Jack Stevens along with their friends, built a brand new hand rail for the patient and his family. We would like to thank the Stevens and Broadmoor Baptist Church for volunteering to help with this need.
